

Effective Mentoring in Schools - Supporting our Teachers (NOT included in the SLA)

Limited spaces so early booking is advised

For: NQT tutors/coordinators and performance reviewers

Course Description:

This session will explore how you can enhance mentoring provision to improve the learning outcomes for teachers. Uniquely, it offers tools for building teachers' skills in being mentored as well as for enhancing the skills of mentors in gradually handing over responsibility for learning to the mentees. Many of the skills explored are also directly relevant to performance reviewers e.g. preparing for observation and effective feedback.

Course Objectives:

- To develop your understanding of the underpinning rationale for mentoring
- To give you the confidence to adapt tools and processes to match the needs of their mentee
- To develop your skills and abilities as a mentor enabling you to give quality support to your professional learners and encourage their independence.
