

Co-coaching for collaboration

For just £99
(P&P and VAT
inclusive)

Co-coaching helps you:

- share good practice
- embed teachers' learning
- build workforce capacity

Act now to get cost effective resources to enable this.

CUREE's co-coaching pack "Pulling Together" from "Effective Mentoring and Coaching" suite provides you with tools and resources that are evidence based to develop practitioners' skills to co-coach one another and to share good practice.

The pack includes a Facilitator's guide, a booklet and a CD which is full of engaging resources that are:

- **interactive, e.g. animations showing common co-coaching mistakes**
- **useful, e.g. questions for coaches and professional learners to ask**
- **easy to use, e.g. print and take to your co-coaching session**
- **good for in-house training, e.g. each activity has facilitator's note that sets out clear instructions**
